### Supplementary Report:

#### ROYAL RANDWICK – Saturday 6 April 2019

##### Race 1: Schweppes Chairman's Quality (Group 2) 2600m:

**Auvray** – L. Nolen, rider of *Self Sense*, pleaded guilty to a charge of careless riding under AR131(a) in that near the 200m he permitted his mount to shift in when insufficiently clear of **Auvray** resulting in that horse being checked and losing its rightful running. L. Nolen's licence to ride in races was suspended for a period to commence on Sunday 21 April 2019 and to expire on Sunday 28 April 2019, on which day he may ride. L. Nolen was reprimanded under AR128(2) for leaving the jockeys room without obtaining the permission of the Stewards.

##### Race 9: The Star Doncaster Mile (Group 1) 1600m:

**Eckstein** – J. McNeil, rider of *Fifty Stars*, was found guilty of a charge of careless riding under AR131(a) in that near the 1200m he permitted his mount to shift in when insufficiently clear of *Siege Of Quebec* resulting in that runner being taken in across the running of **Eckstein**, which was checked and lost its rightful running. J. McNeil's licence to ride in races was suspended for a period to commence on Sunday 21 April 2019 and to expire on Wednesday 8 May 2019, on which day he may ride. J. McNeil was also fined the sum of \$400 under AR128(2) for leaving the jockeys room shortly after the running of this race without obtaining the permission of the Stewards.

**Le Romain** – near the 1000m was steadied to avoid the heels of *Fifty Stars*, which shifted in slightly.

---

##### RACE 1: Kings Of Sydney Sport Mile 1600m:

**Autocratic** – raced wide and without cover until approaching the 1000m. T. Berry (*Lucky Emperor*) pleaded guilty to a charge of careless riding under AR131(a) in that near the 350m he permitted his mount to shift out resulting in **Autocratic** having to be checked and losing its rightful running when crowded between *Lucky Emperor* and *Extraordinary*. T. Berry's licence to ride in races was suspended for a period to commence on Sunday 21 April 2019 and to expire on Thursday 2 May 2019, on which day he may ride. H. Bowman, the rider of *Vinco*, pleaded guilty to a charge of careless riding in that near the 200m he directed his mount to the inside of *Extraordinary* when

not clear of **Autocratic**, resulting in **Autocratic** having to be checked when crowded for room. H. Bowman's licence to ride in races was suspended for a period to commence on Sunday 21 April 2019 and to expire on Sunday 28 April 2019, on which day he may ride. Rider C. Brown advised that **Autocratic** is a colt that requires its momentum to be built up and, after receiving interference near the 350m, his mount took some time to respond to his riding before again being interfered with at the 200m, whereby he then desisted from riding his mount out to the finish. He added that, in his opinion, had his mount not received interference in the straight it would have finished competitively. A post-race veterinary examination of **Autocratic** did not reveal any abnormalities.

**Power Scheme** – from its wide barrier, was shifted behind runners in the early stages. Raced wide and without cover in the middle stages.

**War Baron** – near the 1000m commenced to race keenly and, as a consequence, was steadied from the heels of *Persan*.

**Extraordinary** – near the 350m was hampered when momentarily crowded by *Significance*, which shifted in slightly.

**Significance** – raced keenly throughout the early and middle stages.

**Persan** – M. Zahra, the rider of *Power Scheme*, pleaded guilty to a charge of careless riding in that over the concluding stages, whilst riding his mount along, he permitted it to shift out when insufficiently clear of **Persan**, resulting in **Persan** having to be checked when striking the heels of *Power Scheme* and falling, and further continued to shift out resulting in *War Baron*, which was positioned to the outside of **Persan**, falling when crowded by **Persan**. M. Zahra's licence to ride in races was suspended for a period to commence on Tuesday 23 April 2019 and to expire on Sunday 2 June 2019, on which day you may ride. In addition, M. Zahra was fined the sum of \$3,800. Trainer Mr D. Payne was advised that veterinary clearances would be required for both **Persan** and **War Baron** before being permitted to race or barrier trial again.

**Aspect Ratio** – from its wide barrier, was shifted behind runners in the early stages. Over the concluding stages was hampered when shifted out to avoid the heels of *War Baron* as that runner fell.

**Foxborough** – raced keenly throughout the early and middle stages.

**Galaxy** – slow to begin. Over the concluding stages was checked to avoid the heels of *Persan* when that runner fell.

### **RACE 2: The Agency South Pacific Classic 1400m:**

**Tarka** – was a late scratching at 11.06 a.m. acting on veterinary advice. The colt was transported to Randwick Equine Centre for specialist care.

**Aylmerton** – A post-race veterinary examination did not reveal any abnormalities.

**Wild Planet** – raced wide and without cover for the majority of the race.

**Krone** – Stewards permitted D. Oliver to ride the filly 1 kilogram over its declared weight of 53 kilograms. From a wide barrier, **Krone** was shifted behind runners in the early stages.

**Final Award** – slow to begin. When giving ground approaching the 200m was steadied when crowded between *Krone* and *Millard Reaction*, which shifted in to improve. C. Williams advised that he had concerns with his mount's action in the straight and for this reason eased **Final Award** down over the concluding stages. A post-race veterinary examination revealed the gelding to be slow to recover. Trainer Mr M. Newnham was advised that a veterinary clearance would be required prior to **Final Award** being permitted to race or barrier trial again.

**Napoleon Solo** – from a wide barrier, was shifted behind runners in the early stages.

**Signore Fox** – Stewards permitted D. Lane to ride the colt 1 kilogram over its declared weight of 53 kilograms. Hampered on jumping by *Tahitian Dancer*, which shifted in.

**Tahitian Dancer** – began awkwardly and shifted in.

**Fasika** – A post-race veterinary examination revealed the filly to have blood present in the nearside nostril. Trainer Mr J. Pride was advised that **Fasika** would be required to barrier trial or gallop 1000 metres before the Stewards prior to its next race start.

**Green Aeon** – raced keenly in the early and middle stages.

**Millard Reaction** – slow to begin. Prior to the declaration of correct weight, rider S. Clipperton and Trainer Mr T. Edmonds gave consideration to whether there were grounds for protest against 1<sup>st</sup> placegetter *Fasika*. When connections were satisfied that there were insufficient grounds for a protest, and Stewards were similarly satisfied, correct weight was declared. Near the 150m, **Millard Reaction** endeavoured to obtain a narrow run between *Fasika* and *Green Aeon*, however, was steadied when disappointed due to *Green Aeon* (K. McEvoy) shifting out slightly. In this incident **Millard Reaction** and *Green Aeon* became unbalanced when they made contact. K. McEvoy was advised to exercise more care.

### **RACE 3: Polytrack Provincial Championships Final 1400m:**

**Turnberry** – raced wide and without cover throughout the event.

**Archedemus** – slow to begin and, shortly after the start, was steadied when crowded between *Miss Redoble* and *Oakfield Twilight*, which shifted out marginally. Held up for clear running in the early stages of the straight and near the 200m had to be checked to avoid the heels of the weakening *Miss Redoble*. **Archedemus** was then shifted to the outside of *Miss Redoble* to obtain clear running inside the 200m.

**Spring Charlie** – when positioned wide and without cover in the early stages, was then shifted in behind runners passing the 1200m. In the early part of the straight was inclined to lay in and was awkwardly positioned close to the heels of *Bye See*. At the 200m **Spring Charlie** had to be steadied when disappointed for clear running between *Bye See* and *Oakfield Twilight* and did not obtain clear running until near the 100m.

**Golden Tycoon** – began awkwardly, shifted out, made contact with *Bye See* and became unbalanced. Rider G. Schofield stated that with the colt stepping up to 1400 metres he elected to ride with cover in order to allow **Golden Tycoon** to be competitive over the distance. He said that after allowing *Oakfield Twilight* to cross his mount in the early stages, **Golden Tycoon** raced keenly, refused to settle and, as a result, did not run out the 1400 metres of today's event. He added that in the straight **Golden Tycoon** laid out as it commenced to weaken. A post-race veterinary examination did not reveal any abnormality. Trainer Mr G. McFarlane undertook to report back on the condition of the colt in the days subsequent.

**Safado** – slow to begin. J. Collett could offer no explanation for the disappointing performance of **Safado** and advised that when the winner *Bobbing* improved to his outside on the home turn his mount was immediately under pressure and failed to run on from this point. A post-race veterinary examination did not reveal any abnormalities. Trainer Ms K. Waugh undertook to report back on the post-race condition of the gelding in the days subsequent.

**Chalmers** – from a wide barrier was shifted behind runners in the early stages.

**Oakfield Twilight** – hampered shortly after the start by *Bye See*, which itself was hampered and taken out by *Golden Tycoon*.

**Mandylion** – Overraced in the middle stages.

**Fuchu** – from a wide barrier was shifted behind runners in the early stages.

**RACE 4: Camera House Percy Sykes Stakes 1200m:**

**Kiamichi** – Rider H. Bowman stated that his intention was to race outside the leader but when *Anaheed* improved from its wide barrier he elected to obtain cover behind that runner. He added that in his view **Kiamichi** may be better suited when being ridden in the lead, however, he felt today's disappointing performance was due to **Kiamichi** having reached the end of its preparation. A post-race veterinary examination did not reveal any abnormalities. Trainer Mr J. Cummings advised that **Kiamichi** will now be spelled.

**Pin Sec** – A post-race veterinary examination did not reveal any abnormality. Trainer Mr J. Cummings advised that **Pin Sec** will now be spelled.

**Flit** – from a wide barrier was shifted behind runners in the early stages.

**Athiri** – raced wide and without cover from the 800m.

**Villami** – which lunged forward after being loaded into the barriers, was examined by the club's veterinary officer and deemed suitable to race. Laid out over the final 100 metres.

**Badia** – slow to begin.

**St Covet's Spirit** – between the 200m and 100m was held up on the heels of *Athiri*.

**RACE 5: Arrowfield 3YO Sprint 1200m:**

**Lean Mean Machine** – from a wide barrier was shifted behind runners in the early stages. Near the 900m was hampered when taken wider by *Trope*, which was steadied to avoid the heels of *Spanish Whisper*. A post-race veterinary examination revealed the colt to be lame (3/5) in the off foreleg. Trainer Mr C. Waller was advised that a veterinary clearance would be required prior to **Lean Mean Machine** being permitted to race or barrier trial again.

**Legend Of Condor** – shortly after the start was crowded between *Avantage* and *Classique Legend*, which shifted in.

**Classique Legend** – shortly after the start shifted in making contact with *Legend Of Condor* and, as a consequence, became unbalanced.

**Sheriff** – on jumping shifted out, making contact with *Avantage* and, as a consequence, became unbalanced.

**Trope** – from a wide barrier was shifted behind runners in the early stages.

**Avantage** – began only fairly and, shortly afterwards, had to be checked when crowded between *Legend Of Condor* and *Sheriff*, which shifted out.

**Verry Elleegant** – from a wide barrier was shifted behind runners in the early stages. Rider J. McDonald was fined the sum of \$500 under AR131(c) for making a celebratory gesture prior to the winning post.

**Aristia** – As the filly entered the raceday tie-up stalls, an inspection of Co-trainer Mr M. Ellerton's gear bag identified a number of substances that, prima facie, were therapeutic, however, are in contravention of the rules of racing when present on course without approval. **Aristia** was subject to pre-race sampling and, on the assurance of Mr Ellerton that the filly had not been treated with these substances, the filly was permitted to take its place in the field. Mr Ellerton explained that the products were intended to be left at his temporary stabling accommodation, and the presence of them in the gear bag was an oversight by the stable. The matter was adjourned pending the analytical results of the substances in question. When questioned regarding the performance, rider D. Lane stated that the filly had had two testing runs on heavy track conditions leading up to today's race and this may have had an effect on her performance today. A post-race veterinary examination did not reveal any abnormalities. The Stewards will follow up with Co-trainer Mr M. Ellerton in respect of the post-race condition of **Aristia**.

**Maracaibo** – When questioned regarding his riding in the middle stages and why he elected to shift off near the 900m to improve, rider S. Baster stated that the filly is one-paced and he had instructions from Co-trainer Mr T. Busuttin to ensure that as the filly is one-paced to commence improving from the 800m.

**Aliferous** – In the straight hung in under pressure.

**Scarlet Dream** – Held up for clear running until the 300m and then at the 250m was steadied when disappointed between *Verry Elleegant* and *Romani Girl*. **Scarlet Dream** was then shifted to the outside of *Verry Elleegant* to secure clear running at the 200m.

**Clementina** – began only fairly and shortly afterwards was hampered by *Aristia*, which shifted out. From a wide barrier was shifted behind runners in the early stages.

**Autumn** – began awkwardly and then was steadied when crowded between *Imelda Mary* and *Frankely Awesome*, both of which shifted ground. Overraced in the early stages and near the 1900m made contact with the running rail. For some distance near the 900m **Autumn** (T. Clark) raced in restricted room between *Clementina* and *Scarlet Dream* (B. Shinn), which commenced to shift out to follow *Aliferous*. B. Shinn was reprimanded and advised that he must exercise more care. In assessing penalty Stewards were mindful that T. Clark had advised that his initial shift was as he had endeavoured to obtain running on the back of the favourite *Verry Elleegant*.

**Rocknavar** – slow to begin and, from the outside barrier, was shifted behind runners in the early stages. Near the 1900m, struck the running rail and became unbalanced. Held up for clear running behind *Happy Every Day* near the 300m.

**Romani Girl** – raced wide and without cover throughout the event.

**Bye Bye Belle** – from a wide barrier was shifted behind runners in the early stages. **Bye Bye Belle** was eased down by its rider on the home turn before fatally collapsing at the 300m. **Bye Bye Belle** was taken to the University Teaching Hospital Camden for autopsy. **He's Eminent** – When questioned, J. McDonald stated that his intention was to lead, however, **He's Eminent**, which was racing in ear muffs for the first time, did not respond to his urgings in the early stages and as a consequence, after beginning only fairly, raced back in the field. He said that throughout the run **He's Eminent** did not travel and was a beaten horse from the 600m. He added that, in his opinion, **He's Eminent** is not suited to racing behind other horses. A post-race veterinary examination did not reveal any abnormalities.

**Mask Of Time** – blundered shortly after the start.

**Danzdanzdance** – near the 1800m, when inclined to race keenly, was steadied to avoid the heels of *Winx* (H. Bowman), which shifted in. H. Bowman was advised to ensure he is sufficiently clear when shifting ground.

**Shillelagh** – When questioned regarding his riding in the early stages, B. Avdulla stated that after obtaining a position forward of midfield he felt the tempo increase and, as his mount was not travelling well enough to hold its position, he elected to not pressure his mount in the early stages, which resulted in *Winx* being able to cross his mount and take up a position in advance.

Appleby was advised that a veterinary clearance would be required prior to Dubhe being permitted to race or barrier trial again.

**Glory Days** – from a wide barrier was shifted behind runners in the early stages.

**Rondinella** – Stewards permitted S. Clipperton to ride the mare 1 kilogram over its declared weight of 51 kilograms.

**Shraaoh** – near the 2100m was steadied to avoid the heels of *The Taj Mahal*, which was taken in by *Vengeur Masque* (D. Oliver), which shifted in when not clear. D. Oliver was reprimanded and advised to ensure he is sufficiently clear when shifting ground.

A post-race veterinary examination did not reveal any abnormalities.

**Winter Bride** – T. Berry dropped his whip passing the 300m.

**Siren's Fury** – began awkwardly and was crowded by *Savatiano*, which shifted out. **Siren's Fury** was then shifted behind runners in the early stages.
