**Supplementary Report:**

**KEMBLA GRANGE – Saturday 13 October 2018**

**RACE 3: Benchmark 64 Handicap 1600m:**

**Leave Ya Number** – When questioned, rider S Guymer stated that he was instructed to have the gelding race prominently, the manner in which it was ridden at its previous race at Nowra on 2 October 2018. He said he was able to establish a position outside the leader Arrows Destiny in the early stages whereby his mount travelled well. He said that on straightening, he allowed **Leave Ya Number** to improve under hands and heels riding until approaching the 250m whereby he then attempted to pull the whip through with his left hand. He said that as the whip had been caught under the breast plate, when he endeavoured to pull it through, it became dislodged from his grasp and as a result, he was obliged to ride the gelding for the remainder of the race without the whip. He added that, although he had to ride the horse in this manner after the 250m, he felt that **Leave Ya Number**, particularly over the final 100m, finished its race off strongly.
